## Abuse Reporting Hotlines

### How to report child abuse or neglect:

- (866) 829-2153 (Region 2)
- (866) 363-4276 (Statewide) - available 24/7 - (866) END-HARM

### Questions that will be asked when you call

- The name, address and age of the child
- The name and address of the child's parent, guardian or other persons having custody of the child
- The nature and extent of the abuse or neglect
- Any evidence of previous incidences
- Any other information which may be helpful in establishing the cause of the child's abuse or neglect and the identity of the perpetrator

*You do not need to have all of the above information when you call to make a report, but the more accurate information you can provide, the better equipped the offices will be to assess the child's safety.*

### Report Elder Abuse/Abuse of Vulnerable Adults:

- Call 877-734-6277 or report online at the link above
  - You will be asked to give the person's name, address, contact information and details about why you are concerned.
  - You will also be asked for your name and number or some way of contacting you if the investigator has follow up questions.
  - Unless there is a court action, law enforcement has been called in, or you agree, your identity is confidential.
  - *If you report in good faith, you cannot be held liable for any damages resulting from reporting.*
